Too much clutter!?! Release the stuff, and reconnect with your energy and passion!

### More about the Seminar:

Most of us have too much clutter in our homes and in our lives. Overwhelmed and swept up in a swirl of endless daily chores, we are losing focus on what really matters. This seminar will address how today Feng Shui can help you to dial it back, in mindset and within our homes. As a result, you will learn how to release the stuff, and reconnect with your energy and passion.

How you can learn to dial it down, simplify, and quiet your mind

- Develop new clearing habits to boost your energy
- How you can transform cleaning into soul-filled experiences
- Connect with your Home in a new way

Katherine Allen holds a BA in Art, Community, Health and Sociology, a Professional Interior Design degree, and is certified in Feng Shui.
